

*Creative expressions of natural hair*

### **No experience necessary to register!**

No matter how little (or much) you know, our program is designed to help you get your small business started!

- **Learn** professional strategies to manage clientele.
- **Learn** to earn an eight-hour salary in half the time!
- **Learn** to master a technique and make it your signature service.
- **Learn** to capitalize on your skills, being and entrepreneur means believing in YOURSELF!
- **Create** multiple revenue streams to secure your BAG!

## **Who We Are**

### **About Us**

A I I Z Naturals Academy is an educational platform offering beginners through advanced training in natural hair and beauty care practices. Licensed instructors facilitate courses in a friendly and professional setting where creativity abounds. We strive for excellence in training our students to become successful entrepreneurs.

All registration is completed by email. If you are interested, please email us to receive an application.

*Natural Beauty Education  
For Future Entrepreneurs*

Natural Hair is the future of beauty

## ***Natural Beauty Care for Future Entrepreneurs, You Belong Here!***

**Classes are weekend only, flexible enough to finish the course in just four weeks!**

**Courses are: Sundays from 10am-6pm**

**Full time-** requires eight-hour commitment for four Sundays\*

**Part time-** requires a four-hour commitment for eight Sundays\*

Each class is divided up into eight modules, each module focuses on natural hair theory for the first half of the program. Practical application is applied during the second half of the course. Students work on mannequins and occasional live models.

**\*Attendance does not need to be consecutive Sundays, you must complete 32 hours to earn certification.**

**Affordable pricing and payment plan so you can master your course with ease!**

Course costs **\$3500** for 32 hours of instruction. Registration deposit is **\$500\*** and is **non-refundable**.
